

International Society for Clinical Eye Tracking (ISCET) meeting

Dear all,

The International Society for Clinical Eye Tracking (ISCET) invites anyone with an interest in clinical eye tracking (e.g. clinicians, researchers, manufacturers) to attend the 9th meeting of ISCET to contribute to standardized protocol development.

The meeting will take place on **Wednesday March 26th** and will be chaired by Rasha S. Moustafa (Tampere University & University of Eastern Finland).

The 1-hour meeting will start at **0700 CDT (US Central) / 0800 EDT (US East Coast) / 1200 GMT (UK) / 1300 CET (Central Europe) / 1730 IST (India) / 2000 (China / Western Australia)**.

The link to join the meeting

is <https://tuni.zoom.us/j/65844070482?pwd=pp0Jlu2x1b3ZHJezBpMTWqne6JDf5Z.1> . Further information, including the agenda, is available on the website: <https://clinicaleyetracking.org/> . A calendar file .ics is attached to help you set up the reminder.

ISCET meeting times rotate to suit three regions (the Americas, Asia/Australasia and Europe/Africa). This main focus of this meeting will be on survey results, prioritization of standards, and subcommittee recruitment. To add something to the meeting agenda, please write to Dr.Rashasameer@gmail.com .

Anyone with an interest in clinical eye tracking (e.g. clinicians, researchers, manufacturers) is encouraged to take part and help provide direction.

Please note that all meetings are recorded and made available for public viewing.

You can sign up to the ISCET mailing list / discussion group here: <https://www.jiscmail.ac.uk/cgi-bin/webadmin?A0=ISCET> and join the discussion at the forum here: <https://clinicaleyetracking.org/community/> .

Regards,

ISCET committee
